Private STINET is a limited access, unclassified expansion of this Public STINET site on the Internet which also includes the following:

- Limited distribution citations from DTIC's Technical Reports (TR) collection - approximately 2 million bibliographic citations
- Limited distribution full-text Technical Reports available for immediate download - over 225,000 reports including everything added since Dec 1999
- Active and inactive Research Summaries (RS) from 1965 to present
- Independent Research & Development (IR&D) data
- Gray literature information
- A language translator
- The British Library's **inside web**
- Canada Institute for Scientific and Technical Information's *CISTI Source*
- *ProQuest Research Library Complete*, ProQuest Information and Learning's periodical indexing service

For more information on applying for Private STINET as well as other STINET information, please see our STINET Information section. DTIC also makes available sensitive and classified information to eligible registered users.
